VISION AND MISSION

MMTRADE builds an advanced, secure binary option platform for various financial exchanges and derivative trading, including the pairs BTC/USDT, ETH/USDT, BCH/USDT, LTC/USDT in crypto market, and traditional finance products such as Forex, commodities, stock, Index.

Our mission is to provide a simple trading platform to enhance user experience and to help users earn money easier.

BINARY OPTION MARKET

Binary option is a huge and emerging financial market which values multi-billion dollar. More than 50 million users and tens of billion USD in trading volume has been achieved in 2019.

In order to meet the demand and to connect the traditional financial market with crypto-currency exchanges, we develop a binary option platform with the most convenient and secure infrastructure for users worldwide.

BINARY OPTION PLATFORM

■ Our platform offers binary option trading initially the pair ETH/USDT, then expands to other trading pairs, BTC/USDT, BCH/USDT, LTC/USDT, and various financial markets (crypto-currencies, commodities, stock, Forex, Index) step by step.

■ We pay much effort to provide users the most fantastic trading tools and convenient fund management.

■ All charts on MMTRADE are attached with full indication similarly to Tradingview. This helps traders to analyze the market easily and make a distinguished advantage of MMTRADE compared to other BO platform.

MMTRADE

THE SECURE & TRUSTED PLATFORM

MMTRADE implements the most advanced cybersecurity protocols on its platform to protect user's fund, order booking and other trading activities. Million of traders trust and highly appreciate security of our platform.

ALGORITHMIC AND COPY TRADING

Copy trade and algorithmic trading (bot) have been becoming more and more popular. They are smart tools to help users copy trading strategies, buy and sell positions of professional and successful traders.

Therefore, they can earn money without attaching their face to the charts and financial markets.

**DO YOUR OWN WORK.
LET BOTS EARN FOR YOU**

LARGE COMMUNITIES OF TRADERS

MMTRADE has a bundle of large communities leaded by experienced and successful traders. Newbies can learn a lot of financial knowledge, trading strategies and technical analysis from the leaders. Then they can start to trade and make profits themselves.
